Maritime Pilots Malaysia, MPM

Tuan Muhammad Razif Ahmad, The General Manager of Johor Port Authority extended a warm welcome to the delegates, representatives from Port of Tanjung Pelepas (PTP) and marine managers of the authority.

(L-R) Capt. Hakim Sidek, Capt. Rozlee bin Samin Taib, Secretary of MPM, Mr Fuad bin Naemon, Senior Marine Manager of Johor Port Authority, Capt. Akashah MD Dom, General Manager Marine Services, Port of Tanjung Pelepas, Capt. Md Nazer Husin, Manager Marine Operation, Port of Tanjung Pelepas and Cik Norzie Hasnira, Marine Manager of Johor Port Authority.

A brief introduction of MPM was delivered by the President & Chairman of MPM, Capt. Martin Lim.

In relation to the Strategic Collaboration Program deliberated, members in the meeting was informed and explained how Maritime Pilots Malaysia as a national organisation representing the professionalism of maritime pilots in the country, can potentially co-operate and collaborate with Johor Port Authority.

MPM expressed its obligation in port related matters and future engagement to support the authority's inspiration to make ports in Johor sustainable and competitive in the region.

"I am in the opinion MPM can play an important role in elevating the professionalism of maritime pilots, as we, the authority has been investing into the training and upgrading of skills of pilots here. We have to equipped our pilots with all the credentials theoretically and practically as of now the ports business is revolving and demanding. MPM inputs into this matter is crucial", explained Tuan Muhammad Razif Ahmad, General Manager of Johor Port Authority.

The Courtesy Visit's meeting was concluded with a presentation of Certificate of Appreciation to Tuan Muhammad Razif as a gesture to the start of a more engaging collaboration between Johor Port Authority and Maritime Pilots Malaysia.
